## **COMMISSIONER'S CORNER:**

Below is the reply I received from Joy Campbell.

I cannot tell you how grateful and shocked I was to receive your donations to me. What a blessing! Thank you so very much and it is definitely going to come in handy for sure. I also want you to know a little bit more about Doug. I cannot tell you how many times he had mentioned the game Strat-o-Matic to me! A few years ago he reached out to some of his local friends and tried to get a game going once a week. He had no takers! I finally encouraged him to look online, I believe that's when he found y'all. Doug was both a teacher and coach at Brentwood Academy and always encouraged his students to play games. He was not into video games or online games, but when he discovered the online Stat-O-Matic, he was like a little kid in a candy shop! He was a man of his word, and if he told y'all he be playing you on a Saturday night at 6 o'clock he would show up. From the wife's point of you, I think it was a wonderful addition that he had something that made him so happy and something that he did independently on his own. Ours was a fairytale romance and we almost celebrated our fourth anniversary together. He was an exceptional man who will never be forgotten. Once again my sincere thanks to you and all the members.

I will include a photo from our Christmas card last year. Doug was a big Michigan State fan and I insisted that we dress goofy for our photo including his crazy pants!

Sincerely,  
Joy Campbell

## **The Races:**

In the American League Baton Rouge continued winning going 10-3 to increase its lead to ten games over Milford. Milford went 7-4 and Alpharetta stayed in 4<sup>th</sup> place. New Hampshire played .500 ball at 4-4. Arsenal wrapped up the top five going 4-3.

In the National League Hazardville stayed on top going 8-4. US Jarheads gained a game going 9-3 to cut the Powderkeg lead to 1 game. Allyn Street. New England with a 4-3 record took over 5<sup>th</sup>.

Still in the "lead" for Basement Bertha's heart is Louisville at 14-30, .318. But, Wall Street at 4-8 "improved" its chances to win Bertha's affections because they are now 15-29 .341. Also, in the news We heard that California has purchased a ladder and they are trying to get Bertha to elope. At 14-26, .350 I'm not sure if she would be interested. Stay tuned.
