Commissioner Rob Bruno. Presidents - American League Jeff Merklin - National League Bob Figella

COMMISSIONER'S CORNER:

Guy's as you know we are having a problem with our website. So for now the League Leaders will be attached to the newsletter. Bob is working on the website problem and as soon as it is corrected he'll let us know.

The Races:

In the American League Baton Rouge continues to run away from the pack going 7-1 and now has a 10 game lead over second place Alpharetta. The Aces with a 12-7 record moved from 4th place into second. New Hampshire moved into 3rd place with a 4-0 record. Milford fell from second to 4th even with a 7-5 record. Lake Wobegon had a nice period going 7-4 and moving into 5th place.

In the National League US Jarheads went 2-1 and Hazardville went 1-1 and are tied for first at 39-20. Allyn Street went 6-4 and are 4 games back. Connecticut was the hottest team in the National League going 10-2 to move into a 4th place with Klee's. Klee's went 2-4 during this period. New England with a 5-3 record is in 6th place just 1 game behind Connecticut and Klee's for the last playoff spot.

Basement Bertha's love affair with Wall Street went sour as the Barons went 7-4 this period. As Bertha tossed the Barons out of bed Taxachussetts decided to drop by. With a 5-11 record this period and a .612 losing percentage Bertha flashed her eyes at those Chiefs. But, before anything could develop Louisville stormed into the room going 1-5 and a .695 overall losing percentage. Once Bertha saw how huge Louisville's percentage was she kicked Taxachussett out and the moaning began! We cannot tell more or show pictures because this is a family newsletter. More to come.
