Commissioner Rob Bruno. Presidents - American League Jeff Merklin - National League Bob Figella

COMMISSIONER'S CORNER:

We have not heard from Dave Sanborn so I'm taking over the Nashville team. Bob, Merk and I will review the present backup members and decide on a replacement for after the season. I'll have more information by the next newsletter. I'm also moving the All-Star voting back to November. We could not figure out how to play the All-Star game during the season.

The Races:

In the American League the hottest team was Lake Wobegon with an 8-2 record. Baton Rouge was 6-2. Alpharetta was 9-3 and Hotlanta was 3-1. Milford played .500 ball at 2-2 and New Hampshire had a losing record of 5-7.

Baton Rouge remains in 1st place. Alpharetta is in 2nd. Milford is in 3rd. New Hampshire is in 4th and Lake Wobegon is holding on to the last playoff spot but Hotlanta is only 1 game back.

In the National League US Jarheads went 4-0 remained in first place. Hazardville with a 2-2 period held onto 2nd. Connecticut again went 5-3 but held to 4th place as Allyn Street with an 8-4 period took over sole place of 3rd. Klee's turn things around going 6-2 and remained in 5th.

Basement Bertha's has dumped California! Wow, that romance didn't last long. It's Louisville, Louisville, Louisville. That's sweet music to Bertha's ears. Louisville's is now losing at a .711. California owner, Frank Simonutti has not given up. "With a .675 losing percentage we may be out of her bedroom but we're still in her apartment", said Simonutti.
